

eleve.h

```
graph TD; A[eleve.h] --> B[iostream]; A --> C[string];
```

A diagram illustrating a C++ header file dependency. At the top is a gray rectangular box labeled 'eleve.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'iostream'. The right arrow points to another white rectangular box labeled 'string'. This indicates that the 'eleve.h' header file includes both the 'iostream' and 'string' standard library headers.
